

VELVET REVOLUTION

Teal is about to crop up everywhere, so pairing a wardrobe staple in the saturated shade—like a pencil skirt (L'Wren Scott, \$1,275)—with a statement piece like this short velvet motorcycle jacket (Callula Lillibelle, \$525) makes for an easy closet update. "It's a showstopping color," Vergara says, "and the jacket is not something you would see everywhere."

Earrings, Alexis Bittar.

Ring, Nicholai by Nicky Hilton.
