

LEAP OF FAITH

"My favorite part of a wedding is the moment immediately following 'You may kiss...'" Being allowed to kiss your betrothed, as old-fashioned as it is, strikes me as strangely romantic," says model Trish Goff, here with her son, Nyima Ward. The perfect wedding guest? "One who is on time!" Chanel pink-and-black washed-faille dress; select Chanel boutiques; John Galiano hat; L'Wren Scott heels. On Nyima: Ralph Lauren Childrenswear suit.
